Bhavani School Founder Visit

Our Class X students had an interactive session with Dr. Sunita Sarawagi, Advisory Founder of Bhavani School, to prepare for their upcoming board examinations. She guided them on effective study strategies, stress management, and subject-wise planning, helping students gain clarity and confidence for their board preparation.

During the interaction, Dr. Sarawagi guided the students on structured study planning, effective revision techniques, and maintaining a healthy balance during exam season. She also addressed individual queries, helping students gain clarity and confidence. The session proved extremely valuable in strengthening their readiness for the upcoming board exams.

CHILDREN'S DAY CELEBRATION 2025

Children's Day was joyfully celebrated on 14th November at our school with a vibrant Fancy Dress Competition for the Junior Grades. The young learners enthusiastically participated, showcasing creativity, confidence, and colourful costumes that lit up the entire event. Their cheerful performances made the celebration truly memorable and filled the day with laughter, excitement, and festive spirit..

CBSE SAHODAYA CONFERENCE 2025

Our Chairman Sir Rajesh Sarawagi, represented Bhavani School at the 1st International Sahodaya Conference held in Dubai. His participation in this prestigious global forum provided valuable insights into emerging educational practices, international benchmarking, and innovative school leadership approaches. The conference brought together educators and thought leaders from across the world, offering rich discussions on future-ready learning, holistic student development, and collaborative academic growth. Sir's learnings from the conference will further strengthen our school's vision and ongoing initiatives, inspiring us to adopt progressive strategies aligned with global standards.

CBSE CBP TRAINING TEACHERS 2025

CBSE CBP TRAINING TEACHERS 2025

Our teachers underwent an intensive 12-hour CBP training conducted by a CBSE Resource Person on Competency-Based Assessment. The session focused on strengthening assessment practices for the upcoming examinations, with teachers gaining deeper understanding of learning outcomes, competency-driven question framing, and effective evaluation techniques. The training equipped our educators with advanced strategies to enhance classroom practices and ensure more meaningful, skill-oriented assessments for our students.
