The **Annual Function 2025** was celebrated with great enthusiasm and grandeur on the theme “Carnival of Cultures”, a vibrant tribute to the spirit of diversity, inclusion, and global harmony. The theme was thoughtfully chosen to help students understand, appreciate, and respect the rich cultural heritage that exists not only within our nation but across the world.

The evening transformed into a colourful carnival where traditions came alive through spellbinding performances. Students showcased folk and classical dances, contemporary cultural fusions, regional music, skits, and visual storytelling each performance representing a unique culture, language, or tradition.

Beyond entertainment, Carnival of Cultures served as an educational journey. Students learned the values of unity, empathy, tolerance, and mutual respect. It encouraged them to explore different lifestyles, customs, and beliefs, fostering open-mindedness and global citizenship from a young age. The theme beautifully reinforced the message that diversity is not a barrier but a strength that binds humanity together.

The Annual Function 2025 was celebrated on the vibrant and inclusive theme “Carnival of Cultures”, a beautiful reflection of unity in diversity. The theme aimed to introduce students to the rich tapestry of cultures, traditions, art forms, languages, and values from across India and the world.

Through colourful performances, traditional dances, music, costumes, and storytelling, our students showcased how diversity strengthens harmony and mutual respect. Each performance was a tribute to cultural pride while highlighting the importance of coexistence, empathy, and global citizenship.

# NEWSLETTER

*This year's theme, "Carnival of Cultures," was chosen to celebrate diversity, inclusivity, and unity across cultures. The theme aimed to expose students to the beauty of different traditions, values, languages, art forms, and lifestyles from around the world while reinforcing respect for one's own roots.*

*Through this theme, students were encouraged to look beyond boundaries, appreciate differences, and understand that diversity is a strength that enriches society. The concept beautifully aligned with the school's vision of nurturing responsible, empathetic, and globally aware individuals.*

*The success of the Annual Function was the result of tireless efforts by teachers and staff who worked diligently behind the scenes. From conceptualising performances and rehearsals to managing costumes, choreography, stage coordination, and student guidance—every detail reflected dedication and teamwork.*

*Their mentorship transformed ideas into impactful performances, ensuring that each child felt confident, included, and celebrated.*

# VIZAG STUDY TOUR 2025

## Students of Grade X–XI Excursion to Visakhapatnam

The students of Grade X–XI embarked on an educational and recreational excursion to Vizag (Visakhapatnam), designed to provide experiential learning beyond the classroom while fostering camaraderie, independence, and cultural awareness.

The excursion offered a perfect blend of learning, exploration, and recreation, allowing students to unwind while gaining exposure to the natural beauty, historical significance, and coastal culture of the region. Throughout the journey, students displayed discipline, enthusiasm, and a keen sense of responsibility, making the trip both enjoyable and enriching.

The experience also helped them build confidence, adaptability, and independence.

The excursion aimed to complement academic learning through real-world experiences. Students gained insights into:

- Coastal geography and marine ecosystems
- Historical and cultural landmarks
- Environmental awareness and conservation

Such excursions play a vital role in holistic education by encouraging observation, curiosity, and experiential understanding.

# DIGNITARIES VISIT 2025

## *Visit of Dr. Deepak Vohra to Bhavani School*

Bhavani School was deeply honoured to welcome Dr. Deepak Vohra, renowned diplomat, former Indian Ambassador, and esteemed Advisor to the Hon'ble Prime Minister of India, for an inspiring and memorable visit to the school campus.

Dr. Deepak Vohra's presence marked a proud and historic moment for Bhavani School. Addressing students and teachers, he shared invaluable insights on leadership, nation-building, global perspectives, discipline, and the role of youth in shaping India's future. His engaging interaction encouraged students to dream big, think critically, and work with integrity and purpose.

Through real-life experiences and thought-provoking anecdotes, Dr. Vohra emphasized the importance of values, curiosity, adaptability, and lifelong learning. His address left a lasting impression on students, motivating them to pursue excellence not just academically, but as responsible and aware global citizens.

The occasion was further graced by the esteemed presence of Dr. Santanu Pani, whose association added great value and significance to the event.

# SCIENCE EXHIBITION 2025

## SCIENCE EXHIBITION 2025

Bhavani School proudly hosted its Annual Science Exhibition 2025, a vibrant celebration of curiosity, creativity, and scientific temperament among students. The exhibition stood as a testament to the school's commitment to experiential and inquiry-based learning, aligning seamlessly with the vision of holistic education.

Bhavani School proudly hosted its Annual Science Exhibition 2025, a vibrant celebration of curiosity, creativity, and scientific temperament among students. The exhibition stood as a testament to the school's commitment to experiential and inquiry-based learning, aligning seamlessly with the vision of holistic education.

The Science Exhibition was not just a display—it was a learning journey. Students confidently explained their projects, answered questions, and demonstrated experiments, thereby enhancing their communication skills, analytical thinking, and scientific reasoning. Teachers guided and mentored students throughout the preparation process, ensuring conceptual clarity and innovation.

This successful event was the result of the dedicated efforts of the Science Department and the entire teaching fraternity
